100 AT IT AGAIN

The Sub-Committees Report at a General Meeting.

LIBERAL OFFERS POUR IN

Ainahu and Long Branch—Cyclo-
mere—Transporation—Commis-
sary—Whistle Signal.

(From Saturday's Daily.)

There was about the same attend-
ance for the second as for the first
meeting of the Big 100. The Cham-
ber of Commerce hall was filled to
overflowing again at 1 p. m. yesterday.

Before chairman Smith arrived the
committee badges were placed on the
table by Capt. McStocker and the
members stepped forward and helped
themselves.

Mr. Smith announced these addi-
tional committee members: Capt.
Gartenberg, C. G. Ballentyne, F. S.
Dodge, H. F. Wichman, J. Q. Wood,
Theo. Richards, Geo. A. Davis, J. T.
Crawley, J. M. Sims, Wm. Henry, J.
J. Williams, J. J. Egan, Frank Davey,
D. B. Smith. Chairman Smith said
every citizen was expected to act with
general committee.

Senator Baldwin suggested that the
chairmen of the sub-committees re-
port.

Dr. M. E. Grossman, head of the en-
tertainment committee said his com-
mittee had not yet had a meeting, but
that members had conferred. There
were problems as to numbers and
shore leave. Proposals were for ex-
cursions on the railway, drives, trips
on the Tram system. Sports in the
harbor can be provided if men are not
allowed to leave the ships. Boat races
can be arranged. The Tram Company
has six busses to carry 150 people and
Smith has three busses to carry 60
people. The Tram management can
let the committee have rigs only on a
day other than Sunday and will give
no reduction of fare. There are 15
cars with the capacity of about 600
people.

Senator Baldwin said the entertain-
ment committee might arrange for
drives subject to landing of men from
the ships.

Reception Committee—Col. Fisher
rendered a report to the same effect as
given in connection with the account
of the N. G. H. officers meeting. It
will be impracticable for the whole
committee to board incoming ships.

Commissary—Capt. Ashley said his
instructions, to "prepare a layout" at
the Drill Shed for the boys in blue,
were rather indefinite. The commit-
tee had figured on 3,000 men to have
two meals, to cost four-bits for each
meal or ration. The bill of fare will
include ham, beef, chicken, veal,
sandwiches, tea, coffee, vegetables,
etc., with fruits as allowed by physi-
cians. The tables in the Drill Shed
will be in charge entirely of the ladies.

Senator Baldwin moved that the
Commissary Committee proceed at
once to cook meats and prepare other
food and place same in cold storage.
A. B. Wood thought this was a matter
for the Executive Committee to pro-
ceed with on its own account under
the authority it has. Capt. McStocker
took this same view. Mr. Lansing
called for the motion. Mr. Wood
offered an amendment empowering the
Executive Committee to "go
ahead." The amendment carried.

Finances—Mr. Atherton had not
learned if \$500 or \$1,000 would be re-
quired. He said he was certain all the
money needed could be raised. All in
all the committee had agreed that it
was best to have a fund of \$5,000 and
this would be gathered.

Grounds and Decorations—W. H.
Hoogs said the Executive grounds had
been given for the occasion by Min-
ister Cooper and that both Myrtle and
Healan boat houses and Long Branch
could be used. Mr. Hoogs thought the
expenses of his committee would be
small.

Conference—Dr. Maxwell told briefly
what the ladies had done and said the
ladies wished to know to whom they
should apply for advice and funds.

The chairman announced J. Q.
Wood, Prof. Richards, Geo. A. Davis
and J. T. Crawley as members of the
Entertainment Committee and Capt.
Gartenberg, C. G. Ballentyne, Capt.
Dodge and H. F. Wichman on the Re-
ception Committee.

Chairman Smith read a written mo-
tion to the effect that an address of
welcome be prepared by Chief Justice
Judd, Paul Neumann, Cecil Brown, W.
A. Kinney and W. N. Armstrong.
Carried.

These were the letters from Govern-
or Clegg, Honolulu, May 19, 1898:

My Dear Sir:—I see by the news-
papers that it is probable that in a
few days a number of officers, and
men, belonging to the United States
Army and Navy, will be passing
through Honolulu.

The Princess Kalulani and I have
much pleasure in opening our grounds

to them during their stay here be-
tween the hours of 9 a. m. and 6 p. m.
With kind regards I am,
Your very sincerely,
A. S. CLEGHORN.

His Excellency
HAROLD M. SEWALL,
Envoy Extraordinary and Minis-
ter Plenipotentiary.

Honolulu, May 20, 1898.
GEO. W. SMITH, ESQ.,
Chairman Committee "Boys in
Blue."

Dear Sir:—I herewith tender to the
Committee on Entertainment of Amer-
ican troops en route to Manila free
use of Long Branch Baths during the
stay of the troops in our port.
I remain, very respectfully,
C. J. SHERWOOD.

W. C. Weedon, for Bruce Waring
& Co., said that Cyclomere, with lake,
grandstand and electric light would
be at the disposal of the guests of the
Big 100 for any purpose.

The Messrs. Macfarlane tendered
the use of the Hawaiian hotel to the
committee.

After some discussion it was agreed
that the signal for a "boys in blue"
steamer be five whistles. This was
Mr. Lansing's amendment to Col.
Fisher's suggestion.

A BASKET PICNIC

Proposal to Have One on Executive Grounds.

To Receive at the Same Place,
Lei Plan Dropped—American
Flag Floral Piece.

(From Saturday's Daily.)

The ladies transacted quite a lot of
business in a very few minutes when
they gathered at the Y. M. C. A. hall
once more yesterday to continue on
arrangement for their part in enter-
tainment of the new Pacific squadron.

In the first place it was voted that
all ladies who attended the meeting
first held under the call from Mrs.
C. B. Cooper, be considered members
of the general committee.

It was decided, upon investigation,
that it would be impracticable to sup-
ply each man in the expedition with a
lei. Instead, baskets of flowers will
be sent to the ships and the comman-
der of the whole force will be present-
ed with a floral piece. The design will
be the American flag in correct colors
and with 45 instead of 39 stars, as re-
presented by a contemporary.

The ladies will furnish salads. All
the other food stuff will come from
Captain Ashley's commissary depart-
ment.

It was voted that if the day was fair
the lunch for the men of the force
should be served a la picnic on the
lawn of the Executive Building. This
plan has met with the enthusiastic ap-
proval of all the men of the Big 100.
It was endorsed as a fine idea. The
drill shed is a very warm place. The
ladies will also receive on the Execu-
tive Building grounds.

Mrs. Hutchinson has already started
in on the work of decorating the Drill
Shed. In this task she has the as-
sistance of her sisters, the Misses
Afton and ten bluejackets sent from
the Bennington by Captain Nichols.
The ladies are expected to respond to
the signal of five whistles. But two-
sub-committee lists are so far com-
pleted. They were yesterday reported
to Mrs. Cooper and Mrs. Day, as fol-
lows:

Commissary—Mrs. A. Fuller, Mrs.
Winterhalter, Mrs. J. M. Oat, Mrs.
Crabbe, Mrs. S. E. Gilman, Mrs. J. A.
Gilman, Mrs. Kenake, Mrs. Humphreys,
Mrs. Wally, Mrs. Morgan, Mrs. Drew,
Miss Drew, Mrs. E. A. Jones, Mrs.
Thrum, Mrs. G. R. Carter, Miss Gray,
Mrs. Paty, Mrs. Lederer, Mrs. Murphy,
Miss Alexander, Mrs. Woodward, Mrs.
Laws, Mrs. Lyle, Mrs. Lewis, Mrs. Mc-
Stocker, Mrs. C. B. Wood.

Flowers—Mrs. Tenney, Mrs. Beck-
ley, Mrs. I. Brown, Mrs. Noonan, Miss
E. Davidson, Mrs. A. Brown, Mrs. G.
Herbert, Mrs. Wight, Mrs. E. Low,
Miss Daniels, Mrs. Ena, Miss M. Da-
mon, Miss N. Kitchen, Mrs. G. Wilder,
Mrs. H. Gunn.

Inspected Missions.

Prof. E. D. Eaton, president of Be-
loitt, Wis., College, is a passenger for
the United States by the S. S. China.
He went out to the Orient some
months ago for the purpose of in-
specting mission stations and work for
the American Board. Professor Eaton
is very well known in the educational
world and is prominent in religious
work of great importance and wide
scope.

RED, WHITE, BLUE

American Colors Are Freely Shown About Honolulu.

MANY PLACES ARE DECORATED

Some Pretty and Novel Schemes.
Almost a False Alarm—Liquor
Made Tabu By the Big 100.

(From Monday's Daily.)

The town is in fast colors in antici-
pation of the arrival of United States
troops en route to the Philippines. The
red, white and blue is seen everywhere
and Old Glory waves by day and by
night. Here is a list that includes most
of the establishments decorated up to
Saturday evening:

Hawaiian Hotel, Arlington Hotel,
Queen, Eagle and Occidental Hotels,
Miss Killean's, King Bros., Hart & Co.,
Ltd., A. E. Murphy & Co., Davey Pho-
tograph Co., Benson, Smith & Co., Ltd.,
T. H. Thrum, J. J. Egan, J. J. Williams,
N. S. Sachs, Ltd., Lewis & Co., E. O.
Hall & Son, Ltd., Hobron Drug Co.,
Ltd., Bank of Hawaii, Pacific Hard-
ware Co., Metropolitan Meat Co., Cri-
terion and Pantheon saloons, L. H.
Dee's saloon, Lewers & Cooke, Golden
Rule Bazaar, McInerney's, Star Publish-
ing Co., Wall, Nichols Co., W. W.
Diamond & Co., Hawaiian News Co.,
Castle & Cooke, Ltd., Harry Armitage,
Attorneys Humphreys and Gear, At-
torney J. Q. Wood, Bruce Cartwright,
Attorneys Robertson, and Castle &
Weaver, Hawaiian Gazette Co., John
Nott, Jas. F. Morgan, J. T. Waterhouse,
L. B. Kerr, Hackfeld & Co., Wilder S.
S. Co., and Wilder & Co., Inter-Island
S. S. Co., Hotel Stables, Club Stables,
Mrs. Hanna, Alexander & Baldwin, and
a few score of others.

The Drill Shed looks a different
place now. It is a perfect bower of
beauty. Mrs. Hutchinson and the
Misses Afton have done artistic and
effective decorating. Mrs. Fuller and
her assistants have the tables arranged
and the dishes ready to spread a din-
ner. Three electric fans have been
placed in the big hall. All over the
interior are pictures and colors and
flowers and greens. The words "Re-
member the Maine" are shown in ever-
green. On the stage a field piece has
been prettily set. Above the artillery
is a picture of Washington, which is
flanked by likenesses of Presidents
Dole and McKinley.

Around town there are a good many
attractive outside and window decora-
tions. It must be conceded that the
most artistic showing has been made
by A. E. Murphy at his shoe store.
Photographer Williams shows from
upper windows camera fronts covered
with flags. This is a unique idea, giv-
ing a realistic cannon effect. The
Davey Photograph Co. has flags of
Great Britain, Hawaii and the United
States, with a number of pictures of
people of the hour.

Theo. Hoffman, manager for the Ha-
waiian Electric Company, proposed the
piece de resistance. He proposes to
have at the Pacific Mail dock the
words "Remember the Maine" in a
line of twenty-four feet, with letters
wrought of colored lights. The talis-
manic sentence thus shown will make
an impressive greeting.

WITH THE BIG 100.

Saturday's committee feature was
the placing of a tabu on liquor. This
originated with the executive body of
the Big 100 and created a mild sen-
sation. In the session at the Cham-
ber of Commerce hall, Senator McCan-
dless offered the following resolution:

"That no liquor will be paid for this
committee, and that no liquors of any
kind will be allowed at the Drill Shed
or at any place where refreshments
are served under the control of this
committee." Adopted unanimously.

There was warm endorsement of the
resolution by Senator Baldwin, chair-
man of the executive committee and
J. B. Atherton, chairman of the fi-
nance committee. Senator Baldwin said
that Consul-General Haywood thought
the saloons ought to be closed if the
troops came ashore. Mr. B. F. Dilling-
ham was of this opinion in the
matter. Mr. Atherton has heard
that officers of the N. G. H. proposed
serving liquor to the officers of the
Manila expedition and was against
such entertainment, believing it would
be dangerous and bad in every way.

Late Saturday afternoon, Marshal
Brown said that he proposed to go so
far as warning saloon keepers against
selling liquor to the extent that any
of the visitors might become intoxi-
cated.

Several of the officers of the First
Regiment, N. G. H., were quite indig-
nant over the association of the staff
and line with discussion of temperance
restrictions or measures. They said
they proposed to entertain any guests
they might have just as they pleased.
It was further remarked that many of
the officers were responsible and moral
men of some judgment and that it
should not be intimated that they were
likely to countenance or get up drink-
ing bouts. Elaborate arrangements

are being made at the club of the N.
G. H. officers in the bungalow for the
greeting of visitors. A number of con-
tributions have been made to the offi-
cers for the purpose of catering to
their guests.

W. Protenhauer has been added to
the executive committee as the repre-
sentative of H. Hackfeld & Co., H.
Klemme, Dr. N. B. Emerson and T. E.
Wall were made members of the recep-
tion committee and John Phillips and
W. H. Cummings have been placed
with W. H. Hoogs on committee of
grounds and entertainment.

NOTES.

Mr. Atherton reported about \$3,000
in sight for expenses. Amongst the
contributors already listed are: Da-
vies & Co., Hackfeld & Co., Brewer &
Co., Irwin & Co., Alexander & Baldwin,
Castle & Cooke, Wilder S. S. Co., \$500
each; Schaefer & Co. and Inter-Island
Co., \$300 each; Grinbaum & Co., \$250;
Hyman Bros., \$150; Phillips & Co.,
\$100.

All members of Geo. W. de Long
Post, G. A. R., have been made mem-
bers of the reception committee.

Hams were being boiled twenty at a
time, by the Metropolitan Meat Com-
pany, on Saturday.

Captain Ashley has a corner on lem-
ons, limes, oranges, potatoes and sev-
eral other things.

BRITAIN'S QUEEN

Observance Here of 79th Birthday of H. B. M.

At the Legation—Serenade and Re-
ception—Ball in the Evening—Will
Be a Society Function.

The arrangements for the grand so-
ciety ball at Independence Park this
evening in honor of the 79th anni-
versary of Queen Victoria's birthday,
and in aid of the funds of that de-
serving institution the British Bene-
volent Society are now complete, and
unless the arrival of the transports
with troops should interfere, the dance
promises to be one of the most success-
ful social events of the season. Even
if the transports arrive there will be
no postponement, inasmuch as prob-
ably nothing can be done to entertain
the martial visitors after dark.

The distinguished guests who have
accepted invitations to be present, in-
cluding those excellent dancers the
officers of the U. S. S. Bennington,
will make quite a society gathering in
themselves, while it is estimated that
over 300 tickets have already been
sold.

In order to accommodate those who
have not yet purchased tickets, in an-
ticipation of the arrival of the trans-
ports, they may be obtained at the door
from members of the reception com-
mittee or the secretary. This com-
mittee consists of W. L. Stanley, chair-
man, Dr. H. V. Murray, T. B. Starkey,
Rev. V. H. Kiteat, Rev. Alexander
Mackintosh and the secretary.

John S. Walker, is chairman of the
floor committee which is composed of
A. St. M. Mackintosh, Sir Robert Her-
ron, E. B. Thomas, A. Garvin and T.
Black.

Robert Catton holds the responsible
position of chairman of the refresh-
ment committee and he is assisted by
such able and experienced hands as
W. H. Pain, Dr. J. Weddick, W. W.
Wright, W. Lishman and W. C.
Sproull.

To judge from present aspects the
meed of praise will be awarded to
George L. Dall and the decoration
committee comprised of J. Lucas, J.
Lightfoot, F. Davey, F. Harrison and
W. White. They have some charming
surprises in store, and the hall will
be a beautiful bower of blossoms, bunt-
ing, evergreens and artificial light.
Every effort will be made to keep the
spacious hall cool and airy, and the
comfort and convenience of the ladies
will be especially attended to.

The commander of the U. S. S. Ben-
nington has very courteously placed a
number of flags at the service of this
committee.

The ball is announced to open at
8 o'clock, and the grand march will
take place immediately it can be ar-
ranged after that hour. The program
includes 16 dances, and the floor com-
mittee states that "extra" are tabu.

The day observance of the birthday
of the Queen will consist of a cessa-
tion of business that will be consid-
erable and of the closing of the Govern-
ment offices. Besides this there will
be extra large flags over the Govern-
ment buildings and the reception of
the British Commissioner from 11:30
to 1. The Hawaiian Minister of For-
eign Affairs will send the Govern-
ment band to serenade at the residence
of Her Majesty's representative, in
Palama. All of the diplomats and con-
suls will show their flags. At noon,
Mr. Kenny will receive members of
the general committee on celebration
of the day.

It may prove very convenient if
members of the committee will return
to the secretary all unsold tickets be-
fore the ball opens, as they may be re-
quired for sale at the door.

WORDY BIG BLUFF

Before and After Spectacles Down in the Philippines.

A LITERARY GENERAL'S PLANS

Gave the Americans a Finished
"Roast"—Probably He Wond-
ers How It Happened.

On April 23d the Governor General
of the Philippines issued a proclama-
tion, prophesying disaster to the Amer-
icans and victory to Spain in the
struggle. The extraordinary document,
abounding in fustian, characterizes the
sending of the American fleets against
the Spanish forces as "vain designs,
ridiculous boasts." The proclama-
tion in full is as follows:

"Spaniards.—
"Between Spain and the United
States of North America hostilities
have broken out.

"The moment has arrived to prove
to the world that we possess the spirit
to conquer those who, pretending to be
loyal friends, take advantage of our
misfortunes and abuse our hospitality,
using means which civilized nations
count unworthy and disreputable.

"The North American people, con-
stituted of all the social excrescences,
have exhausted our patience and pro-
voked war with their perfidious ma-
chinations, with their acts of treach-
ery, with their outrages against the
laws of nations and international con-
ventions.

"The struggle will be short and de-
cisive. The God of Victories will give
us one as brilliant and complete as the
righteousness and justice of our cause
demand. Spain, which counts upon
the sympathies of all the nations, will
emerge triumphantly from this new
test, humiliating and blasting the ad-
venturers from those States that, with-
out cohesion and without a history,
offer to humanity only infamous tradi-
tions and the ungrateful spectacle of
Chambers in which appear united in-
solence and defamation, cowardice and
cynicism.

"A squadron manned by foreigners,
possessing neither instruction nor
discipline, is preparing to come to this
archipelago with the ruffianly inten-
tion of robbing us of all that means
life, honor, and liberty. Pretending
to be inspired by a courage of which
they are incapable, the North Ameri-
can seamen undertake as an enter-
prise capable of realization the sub-
stitution of Protestantism for the
Catholic religion you profess, to treat
you as tribes refractory to civilization,
to take possession of your riches as
if they were unacquainted with the
rights of property, and to kidnap those
persons whom they consider useful to
man their ships or to be exploited in
agricultural or industrial labor.

"Vain designs! Ridiculous boast-

ings!
"Your indomitable bravery will
suffice to frustrate the attempt to carry
them into realization. You will not
allow the faith you profess to be made
a mock of impious hands to be placed
on the temple of the true God, the
images you adore to be thrown down
by unbelief. The aggressors shall not
profane the tombs of your fathers,
they shall not gratify their lustful
passions at the cost of your wives and
daughters' honor, or appropriate the
property that your industry has ac-
cumulated as a provision for your old
age. No, they shall not perpetrate
any of the crimes inspired by their
wickedness and covetousness, because
your valor and patriotism will suffice
to punish and abase the people that,
claiming to be civilized and cultivated,
have exterminated the natives of North
America instead of bringing to them
the life of civilization and of progress.

"Philippines, prepare for the struggle
and, united under the glorious Span-
ish flag, which is ever covered with
laurels, let us fight with the convic-
tion that victory will crown our efforts
and to the calls of our enemies let us
oppose with the decision of the Christ-
ian and the patriot the cry of "Viva
Espana."

"Manila, 23d April, 1898.

"Your General,
"BASILIO AUGUSTIN DAVILA."

Another proclamation of the same
date declares that any one offering as-
sistance directly or indirectly to the
enemy shall be summarily tried by
Court Martial as a traitor and be pun-
ished with death, and that those who
propose the submission of any place
besieged by the enemy or spread re-
ports calculated to discourage the de-
fenders shall also be dealt with as
traitors and punished with death or
penal servitude for life.

A third proclamation declares mar-
tial law and requires all able bodied
Spaniards to enroll themselves for
military service.

Extensive preparations are being
made for the "Holy Ghost" celebra-
tion on the grounds of the Catholic
Mission next Saturday and Sunday.
